

Imagine... A interactive marketing tool that can directly communicate with your customers, with video, text and graphical images.

"A picture paints a 1000 words"

Your customers can see your goods and services advertised on a screen in your premises.. Draw attention to your business with this cost-effective advertising solution from INVOTECH.

- Noticeable Screens – Entice Customers
- Broadcast Special Offers at a touch of a button
- An "Online" show of available Goods, Services, Information or Music Videos etc.
- User Friendly and Easily Programmable
- Custom Advertisements/shows can be created by Invotech for YOU.

Suitable for Pubs, Clubs, Shops, Restaurants, Educational Establishments, Public Halls, Places of Worship, Exhibitions, or anywhere you need to get your message across!

From a single screen to multiple screens integrated with full audio PA transmission systems – "A truly invigorating Audio / Visual experience"

Imagine what this powerful marketing tool could do for YOUR business...
